

# RÉNORÉGION PROGRAM (PRR)

## REGISTRATION FORM 2026-2027

\* Filling this form does not mean you are automatically eligible.  
An analysis of your information must be made in advance.

To qualify, you must :

- be the owner of the residence and occupy it full time since 1 year ;
- be a Canadian citizen or permanent resident ;
- not have benefited of the RénoRégion program (PRR) in the last 5 years or the Rénovation Québec program (RQ) in the last 5 years ;
- the residence for renovation must be single-family, semi-detached, duplex or mobile home on a foundation / piles ;
- the value of the building on the property assessment roll **2025**, excluding land, must be less than or equal to the maximum value established by the MRC, who is **\$150,000**. You must provide a copy of the municipal tax bill and the assessment roll ;
- the building must not be built in a flood zone 0-20 ans or in a landslide zone ;
- must have income, for all household members, below the maximum allowable income shown in the Table below. Refer to **line 15000** of the statement of Federal income. Add income of the owners and 25% of the income of other household members. Provide a complete copy of the Federal & Provincial contribution notice and report of Federal & Provincial income each household member living at home. Self-employed worker's incomes need to take into account the capital cost allowance on form T2125 :

| Number of persons in the household | Couple or 1 person                                   | 2 to 3 persons                                       | 4 to 5 persons                                       | Over 6 persons                                       |
|------------------------------------|------------------------------------------------------|------------------------------------------------------|------------------------------------------------------|------------------------------------------------------|
| Allowable income                   | - \$ 48,000 (95%)<br>Up to \$ 60,000<br>(94% to 20%) | - \$ 57,000 (95%)<br>Up to \$ 69,000<br>(94% to 20%) | - \$ 69,000 (95%)<br>Up to \$ 81,000<br>(94% to 20%) | - \$ 87,000 (95%)<br>Up to \$ 99,000<br>(94% to 20%) |

- you can have a financial assistance of up to \$ 20,000 maximum by the RénoRégion program or \$ 25,000 if your household income is below the maximum allowable income. The aid rate may vary between 20% and 95%, depending on your income.

| <b>Indicate the major defects affecting your building</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |  |
| <b>Major defects</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |  |
| <input type="checkbox"/> 1) The outer walls (water infiltration, deteriorated exterior siding, chimney in poor condition, visible mold on interior walls) ;<br><input type="checkbox"/> 2) the openings (water and air infiltration to the door frames and windows) ;<br><input type="checkbox"/> 3) the projections (balconies and external stairs unsafe) ;<br><input type="checkbox"/> 4) the roof (water leakage, deterioration of the roofing felt) ;<br><input type="checkbox"/> 5) structure (water seepage in the foundation, sagging support elements) ;<br><input type="checkbox"/> 6) electricity (damaged wiring, SBP and insufficient electrical input) ;<br><input type="checkbox"/> 7) plumbing (plumbing deteriorated, contaminated wells / insufficient, deteriorated <i>existing</i> septic installation) ;<br><input type="checkbox"/> 8) heating (unit and damaged the existing heating system, unsafe or insufficient) ;<br><input type="checkbox"/> 9) heat insulation (roof and insulate foundations. Insulate walls only if there is already an intervention).<br><br>Other eligible major defects :<br>Overcrowding;<br>Unfinished building – Date of beginning of work ____ / ____ / _____. |  |

The grant for your apartment can reach between 20% and 95 % of the cost recognized for the implementation of eligible projects, without exceeding \$ 20,000 or \$ 25,000 depending your household income. Your home must require eligible projects of at least \$ 3,500 aiming to correct one or more major defects, which will be identified by the municipal partner during an inspection visit.

**No work to upgrade to municipal standards will be eligible.**

**NOTE : Work carried out before the authorization of the municipal partner are not eligible for financial aid.**

| SENDING THE REGISTRATION FORM                                                                                                                                                                                                                                                                                                                                                                                                                                                          | OWNER(S) SIGNATURE                                                                                                                         |                                             |
